EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Burton A. Amernick (24,852) on July 16, 2003.

The application has been amended as follows:

(a) In claim 1, add - -, wherein the second dielectric layer of polymeric material is a different material than said first and third dielectric layer of polymeric material - -, after "circuit lines", line 10.

(b) Cancel claims 11, 18-35.

2. The following is an examiner's statement of reasons for allowance:

An electronic structure comprising three dielectric layers of polymeric materials, one above the other, wherein the second dielectric layer of polymeric material is a different material than said first and third dielectric layer of polymeric material layer and further the second dielectric layer of polymeric material having trenches filled with electrically conductive material substantially flush with the top surface of said second polymeric material layer, is not disclosed by prior art alone or in combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
